

The Lake Chalet boasts six Banquet Spaces, each with its own unique atmosphere. The Private Dining Room is perfect for business meetings and presentations, or more intimate gatherings for smaller groups that want a private setting. The Pump House Dining Room holds an upbeat and energetic atmosphere, accented by the 80 foot bar overlooking Lake Merritt. The Docks sit on top of the beautiful Lake Merritt, with views of the surrounding hills and park areas. The Lake Chalet's Gondola Room is perfect for larger groups looking for three walls of glass overlooking the entire Lake Merritt Area. It has hardwood floors, and a private bar.
